

## Contractors Businessowners Premier Endorsement

You can provide your insured with additional coverages for their Contractors Businessowners policy at minimal cost.

These additional extensions of coverage will provide your policyholder with a number of coverages that their policy may not currently contain. These coverages are “bundled” in one endorsement for ease of use. The insured will receive a discounted premium since we do not have to issue numerous endorsements.

This endorsement provides the following extensions of coverage:

Extension of Coverage	Coverage Limits
Accounts receivable	\$50,000 on premises / \$50,000 off premises
Aggregate limits – per location	Up to policy limits – when required by contract
